

Free Voice Classes!

Taught by Bridget Duffy

Optional group voice classes are being offered this season for Vivace girls who would like additional vocal training beyond the rehearsal setting. These classes will use the repertoire we are performing in choir as a basis for teaching singing techniques.

Attending a voice class will help develop good breathing technique, range extension, tone production, listening skills, and basic musicianship.

Voice classes will also assist girls who have missed rehearsals due to athletic conflicts, illness, or other factors.

**All classes are 30 minutes long and begin at 5:00 p.m.
prior to Vivace rehearsals on Tuesdays.**

No Sign Up Required...just come and sing!!!

(Prima and Angeli Choirs will have voice training as part of regular rehearsals at this time)
